

## ACKNOWLEDGEMENT

After long sincere strenuous efforts for bringing a conclusion to this work, it is a fair scope to me to express my gratification to the persons helped me in my thesis work for bringing the final touch to give its shape.

It is a privilege on my part to render my heartfelt regards on the feet of my beloved Papa i.e. Mr. Radhapada Sahoo and my affectionate Mum i.e. Mrs. Doli Rani Sahoo whose blessings, affection, inspiration, physical, mental support to me to complete this difficult task.

I am greatly indebted and solicit my deep gratitude to my respected GURU Dr. Abichal Chottopadhyay M.D. (Ay.), Ph.D. Reader H.O.D. of Samhita and Sharir, I.P.G.A.E & R, KOLKATA, for constant inspiration and to provide over all guidance and suggestion to form each every stage of presentation. Over all he is my mentor from the BAMS carrier to till today. Without him I have no personal identity.

I extremely thankful to my respected Vd. K.S.Dhiman, Director General and Dr. N. Srikant DDG, CCRAS to provide me kind permission to continue Ph.D work along with my day to day official work.

It affords me great pleasure to record my gratitude to Dr. Jayram Hazra, Director, CARIDD for his valuable suggestion, advice and academic help during my research work.

Again my sincere gratitude and deepest owe to Dr. Robin K. Sharma, Pro Vice Chancellor, Dr. Nurjamam Laskar Sub register USTM for their valuable help and cooperation and assailing guidance in presentation study and data processing as well as in designing of my research work.

My sincere gratitude to Dr.Alpana Choudhury, Head of the dept. Media and Cultural Science, Dr. Neelima Bhagabati Head of the dept. Sociology, USTM for their constant guidance to prepared this thesis.

I also express my heartfelt tribute to Dr. M.M.Rao Director CARIHBD, Dr. P. Panda R.O.(Ay.),Dr.Banamali Das R.O.(Ay.), Dr.S.K. Meher R.O.(Ay.) for their valuable suggestion during my tainior at Bhubaneswar.

I am extending my gratefulness to Dr. Rohit Sharma. R.O.(Ay.) of CARIADD for bringing shape of the thesis. I also express my sincere thanks to Dr Nabanita Chakrabarty (SRF - Ayu) for helping in analysis and compilation of collected data.

Words can not express my profound thanks to all my colleague of for their constant support during preparation of my thesis. I express my cordial thanks to all the Research Officers, SRF, Senior consultant, DEO, Pharmacists and MTS for their constant enthusiastic support day by day during preparation of the thesis.

I am extremely thankful to my wife Mrs. Indira Sahu for her constant inspiration to complete the difficult task, without her constant mental support I will never complete this work. Specially she was ignited a dream of Ph.D.of mine which is reality today.

I am very grateful to my only affectionate son Master Abhiroop Sahu (RUPU) for her enthusiastic support during preparation of the thesis. My heartist Thanks to Neelakshi Mohanta and Dr.Goutam Sharma of USTM to conducting and coordinating all the Synopsis, Course work, six monthly presentation and Abstract presentation. I express my heartiest thanks to Mr. Chandra, Omkar Graphics, Bhubaneswar for his constant effort and excellent computer works during preparation of the thesis.

Last but not least, I am highly indebted to my guide Raja Vaidya Prof. Gopal C Nanda visiting Prof. to Utkal University, Guwahati University, Shankar Dayal Health University and USTM Meghalaya whose dynamic guidance pave the way for higher and deep study on the subject by me.

At last I am expressing my gratefulness to almighty LORD JAGANNATHA whose Blessings and Mercy lead me to complete this difficult work.
