

ACKNOWLEDGEMENT

I deem it my duty to express my sincere gratitude to those who encouraged and helped me in various ways in taking up this research work. I must acknowledge that it was because of cooperation received from various quarters that I could finish my task within the stipulated time.

I express my sincere gratitude to Prof. Alaka Desai Sarma, my Supervisor, without whose effort, it would have not been possible on my part to complete this research work. It was her persistent mentoring, continued support and suggestions due to which I could complete my task without much difficulty.

I express my thankfulness to my former colleagues Prof. A. N. S. Ahmed, Dr. Manoj Nayak, Dr. Babli Choudhury, Dr. Manas Nath, Dr. Devajit Mahanta and Dr. Mousumi Bhattacharyya, who had been persistently encouraging me since beginning by providing the moral boost required to take up work in a sector which is very challenging in the contemporary times. My colleagues Prof. A.C. Talukder, Dr. Moqbul Ali, Dr. Papiya Dutta, Dr. Parveen Sultana, Gautam Gogoi, Rashmi Baruah, Zacharias Tirkey and Prof. B. P. Chaliha, Former Head, Department of Assamese, Gauhati University, had been my constant source of inspiration. In my research work I was always encouraged by Rontu, my brother and Rinta, my sister-in-law. I express my profound gratitude to them.

I am thankful to members of my family, Rishi, my son, Ria, my daughter and Manjuri, my wife for their cooperation and for allowing me to utilize for research the leisure which was otherwise reserved for them or my family works. I am also thankful to Dr. Nitul Sarma, my brother-in law for extending his whole hearted cooperation and moral support so that I could do my research work with utmost devotion. May God shower on them blessing.

I acknowledge with gratitude the official help I got from the office of Director of Health, Assam and office of the Joint Director of Health, Kamrup (Metro), without which, completing my task would have remained a distant dream. I

am also thankful to authorities of Gauhati Medical College Hospital, Bhangagarh, Government Ayurvedic College Hospital, Jalukbari and S.J.N Homoeopathic College, Panjabari, District Hospital, Sonapur and other Government Hospitals for their cooperation in my field work. I am also obliged to Hospital authorities in the private sector for the same. My thanks to Mr. Phalen DuttaThakuria and Sanjib Dutta for helping in print related work connected with giving finishing shape to the Thesis.

I shall be ever grateful to the Almighty for giving me good Health and spirit without which it would have not been possible to take up Research work and finish the same.
