Abstract	xxii-xxiii

Chapters		**Page No.**
Chapter 1	**Introduction**	**1-12 E**
1.1.	The Study	1
1.2.	Statement of the Problem	5
1.3.	Objectives of the Study	6
1.4.	Hypotheses	6
1.5.	Area of Study	7
1.6.	Limitation of the study	9
1.7.	Methodology	10
1.8.	Chapter Plan	12 D
Chapter 2	**Literature Review**	**13-26**

Chapter 3	**Special Library and its present status: A brief study**	**27-47**
3.1.	What is Library?	27
3.2.	Types of Library	29
3.3.	Special library	29
3.3.1.	Concept & definition of Special Library	30
3.3.2.	Types of Special Library	33
3.3.3.	Features & functions	34
3.3.4.	Services of Special library	36
3.4.	Special Libraries in India	41
3.5.	Status of Special Libraries in Assam	44
3.6.	Conclusion	46
Chapter 4	**Role of ICT for promotion and up gradation of Special Libraries**	**48-67**
4.1.	Introduction.	48
4.2.	ICT application in libraries	51
4.3.	Role of ICT for promotion and up gradation of Special Libraries	57
4.4.	Conclusion	66

Chapter 5 ICT based services and its impact on Selected special libraries in Assam. **68-78**

5.1. Introduction 68

5.2. ICT is basically uses in the following library environment 69

5.3. Some electronic sources provided by ICT 71

5.4. Following are some of the services provided through ICT in the libraries 71

5.5. Conclusion 77

Chapter 6 Data Analysis **79-202**

6.1. What is data analysis? 79

6.2. Institutes covered in the study with the name of libraries 80

6.3. Library personnel 81

6.4. (a) Library organization 82

6.4. (b) Library organization 83

6.5. Library governance 85

6.6. Sources of fund 86

6.7. Library services 88

6.8. Library budget 89

6.9. Library collection 91

6.10. About Journals 94

6.11. Technical operations 95

6.12. Library acquisition system 98

6.13. Software using for library automation 101

6.14.	Modules of software in operation for automation	102
6.15.	Digitized collections	103
6.16.	ICT infrastructures availability	105
6.17	Purpose of using ICT	106
6.18	Primary ways to learn about ICT	108
6.19	Benefits of using ICT	109
6.20	Barriers in using ICT	111
6.21	About consortium	112
6.22	Problems confronting library	114
6.23	Status of archive facility	115
6.24	Participation in Institutional Repository System (IR)	116
6.25	Users' response	119
6.26	Users' gender	121
6.27	Gender wise user response	124
6.28	Library use	128
6.29	Purpose of visit to the library	129
6.30	Satisfaction with infrastructure facilities	135
6.31	Provision of Reading room	138
6.32	Satisfaction with reading room facilities	140
6.33	Satisfaction with number of reader's card	147
6.34	Access to library materials	150
6.35	Library material format user preferred most	153
6.36	User take part in building library collection	156
6.37	User satisfaction to library collection	158
6.38	Area where the collections need to be improved	169
6.39	User aware about the services	176
6.40	Type of periodical used	183
6.41	Library provided reference help	186

6.42	Services the user used most	189
6.43	Overall assessment about the library	195
6.44	User's opinion about total collection and services	202
Chapter 7	**Findings, Suggestions & Conclusion**	**203-212**
7.1	Major findings	203
7.1.1	Findings based on Librarian's data	203
7.1.2	Findings based on users' data	204
7.2	Testing of Hypothesis	206
7.3	Suggestions	207
7.3.1	Users' suggestions	207
7.3.2	Major Suggestions	208
7.4	Scope for further study	209
7.5	Conclusion	210
Bibliography & References		**213-220**

Appendices

1. Questionnaire to Librarian
2. Questionnaire to Library users
3. Published Research Papers
4. Photographs related to survey
