LIST OF FIGURES

Figure	Title	Page No
Figure 1	Sources of fund	87
Figure 2	Library Services	88
Figure 3	Library Budget	90
Figure 4	Library Collections (Books)	93
Figure 5	Collections of Periodicals	94
Figure 6	Availability of Computers	97
Figure 7	Access System	97
Figure 8	Cataloguing Code	97
Figure 9	Classification Scheme	97
Figure 10	Tools to select documents	100
Figure 11	Method to acquisition of documents	100
Figure 12	Type of books format	101
Figure 13	Software used in the libraries	102
Figure 14	Digitized Collections	104
Figure 15	ICT infrastructures	106
Figure 16	Purpose of Using ICT	107
Figure 17	Primary ways to learn about ICT	109
Figure 18	Benefits of using ICT	110
Figure 19	Barriers in using ICT	112

Figure 20	Status of Consortium	113
Figure 21	Problems confronting Library	115
Figure 22	Archive facility	116
Figure 23	Institutional Repository Systems (IR)	118
Figure 24	Users' Response	121
Figure 25	Users' Gender	124
Figure 26	Gender wise users response	127
Figure 27	Purpose of visit to the library	134
Figure 28	Satisfaction with Infrastructure facilities	137
Figure 29	Provision of Reading Room	140
Figure 30	Satisfaction with reading room facilities	146
Figure 31	Satisfaction with number of reader's card	150
Figure 32	Access to library materials	153
Figure 33	Format of library collection prefer to use most	155
Figure 34	User take part in building library collection	158
Figure 35	User satisfactions to library collection	165
Figure 36	Area where the collections need to be improved	174
Figure 37	Users' awareness about the services	181
Figure 38	Types of periodical used	186
Figure 39	Library provided the reference help	189
Figure 40	Services the user used most	193
Figure 41	Overall assessment about the library	200
