

ACKNOWLEDGEMENT

I do hereby express my gratitude and thanks to Dr. Polakshi Bhattacharyya Baruah, Head of the Department of Economics, University of Science and Technology for active guidance as a principal guide from the institution of my thesis. She directed me the way to solve the research problem and interpretation. It is nevertheless to say that she help me to prepare the presentation along with the respected faculty members of the department. I have learned a lot from her constructive criticisms. Her valuable criticisms and guidance enrich the thesis to a definite point of achievement.

I express my sincere gratitude and thanks to my co-guides Dr. Surajit Kumar Bhagowati, Principal, ADP College, Nowgong and Dr. Anuradha Singha, Assistant Professor, B Barooah College, Guwahati, for initiating the study area 'Socio-economic Factors of Tea Tribe Community Which Impact on Child Labour'. They guided me how to arrange the thesis properly.

I am grateful to Dr. Amit Choudhury, Dean of Economics and Commerce Department, USTM for his valuable and critical comments on some chapters leading to distinct improvement in the quality of thesis. I also take the opportunity to pay my gratitude to Dr. A. Rasid, Head of the Department of Commerce for his suggestion and steady encouragement during my entire research work.

All the honourable faculty members of Economics Department, USTM took special interest in the presentation of methodological and analytical part of the thesis. It helps me to arrange the analysis of data systematically. I am indebted to all respected faculty members for sparing valuable time utmost necessary for modifications of certain chapters. I express my sincere gratitude to all.

All the SRC members offer me the opportunity to do the research work in this University smoothly and so, I am indebted to all including respected Academic Registrar Sir, Deputy Registrar Sir and office staff. I am also thankful to Md. Mukutor Rahman, Assistant Librarian of Maulana Azad Central Library, USTM for his contribution towards improvement of research work.

It is a great opportunity to do research work for issuing 'No Objection Certificate' from Dr. Siba Ranjan Mahanta, Principal of Nagaon GNDG Commerce College. He also encourages me for continuation of research work. I am grateful to Dr. Mahanta Sir for rendering his valuable suggestions. I am also especially thankful to my colleague Dr. J. Sharma for her helping hand along with all well-wisher colleagues and non-teaching staff of Nagaon GNDG Commerce College who encourage me to do research work without break.

I express my gratitude to Research officer respected R. Ali for his contribution and suggestion in statistical work. His valuable suggestions help me to make statistical solutions of collected data.

I am deeply indebted to my wife Mrs. Dibyangana Borah, my sister Usha Saikia, sister-in-law Puspangana Borah, Brother Anil Ch. Saikia, Ratan Dutta and my well-wisher neighbouring friends. My spouse always inspires me to continue the research work. Last but not least, thank my beloved nephews Kaushik Saikia and Piyush Kashyap Dutta for their well co-operation and supportive understanding to complete the research work.

Prafulla Saikia
